| All | BOT STUDENT TRUSTEE 2021 NOMINATIONS | (JOHC) |
| <p>Voting takes place on Monday 21 September during Tutor:</p> <p>Leila Alsabak MC11SLO:</p> <p>Hi, my name is Leila Alsabak, a Year 11 student and I am running for the Board of Trustees student representative for 2021. Having been involved in various councils and committees for my last 3 years at Howick College, I have learnt about the challenges our school faces, ways to overcome those challenges, and the major impact our school has on the community. I have also learnt that every student has a unique opinion, all of which needs to be taken into consideration when making any decision. At the end of the day any changes made within the school will directly impact all of us as students. I firmly believe that our school's physical, social, and emotional environment heavily affects our ability to perform and thrive which is why I would make decisions based on what is best for the majority of students. By doing so I believe we could create a community of healthy, happy, passionate learners.</p> <p>Nicole Carruthers PAIHERE:</p> <p>Kia ora, I am Nicole Carruthers, a year 12 student at Howick College. I have been going to Howick since Year 9 and have two siblings in Year 10. I have been proud to be part of the Paihere Rangatiratanga tutor group, centred around Māori leadership, for two years. Through my time in Paihere I have enjoyed helping other students in their academic success and have also learned a lot myself. I take pride in my academic success but even more pride in helping others. The role of Board of Trustees Student Representative is vital as it gives all students a voice in the governing of our school. I feel that representation is important and want even the quietest students' voices to be heard. I am approachable and sincere and believe that I am the best person to represent the student body of Howick College.</p> <p>Arnav Krishnan IR11MCK:</p> <p>Hi, my name is Arnav Krishnan, I am a Year 11 student and I am running for the Board of Trustees student representative for 2021. Ever since Year 9, I have made a conscious effort to be involved in student councils such as the Academic Council and the Irvine House Council. In these councils, I was among the other members that made a positive impact on Howick College, not only for the school as a whole, but for individual students as well. I grew out of my comfort zone and started to lead my own activities and in turn gained leadership skills, communication skills with the students I helped, teamwork skills as I worked with teachers and other council members, but most importantly, I achieved a connection between myself and other students. I started to understand the student voice in our school and was able to make decisions in my respective councils to benefit students. I want to use the skills that I gained in these councils to represent the students at Howick College. By voting for me, I can promise to do my very best to make students' voices and opinions heard throughout the Board of Trustees. I want to use the student voice that I saw when I was in those councils and build on that student voice to present to the Board of Trustees and make Howick College a finer, more efficient high school for the better of our students.</p> | | |
| All | GIRLS CRICKET | (JOHC) |
| <p>If you're interested in playing Girls Cricket - Training starting soon and games in Term 4. Email christine.hargreaves@howick.school.nz to register.</p> | | |
